

## Statement of Certification

### Residential Homeowner

#### Statement:

American Alternative Energy certifies that the:

**SOLAR ATTIC FAN 10 WATT UNIT**  
**SOLAR ATTIC FAN 20 WATT UNIT**  
**SOLAR ATTIC FAN 30 WATT UNIT**  
**SOLAR ATTIC FAN 50 WATT UNIT**  
**SOLAR ATTIC FAN GABLE UNIT**

qualify for federal tax credits in the Solar Energy Systems category under Photovoltaic Systems as defined in the **Emergency Stabilization Act of 2009**.

In order to qualify, the American Alternative Energy Solar Attic Fan products must have been placed in service on January 1, 2014 through December 31, 2016 on an existing or new construction residential home. Units installed on rental properties do not qualify for tax credits. In addition, the products must have been properly installed meeting all applicable building, electrical and fire codes.

The homeowner is eligible to receive a 30% federal tax credit on the solar panel portion of the unit as well as any installation costs incurred. There is no cap on the cost amount on which a tax credit can be claimed on qualifying photovoltaic systems in accordance to the Emergency Stabilization Act.

To claim a tax credit, this Statement of Certification is not required to be filed with the tax forms, but income tax regulations require taxpayers to have appropriate documentation to qualify for a tax credit. Please complete the form below and keep it with your tax records. Also, keep the receipt for the system including installation costs.

**Disclaimer:** This Statement of Certification was prepared on January 1, 2014 in accordance to the qualifications for tax credits as the law states on this date. American Alternative Energy cannot guarantee the products eligibility if the current requirements or laws change after 1/1/14. American Alternative Energy recommends consulting a tax professional if considering filing for a tax credit. More information about tax rebates is available from the IRS. American Alternative Energy is not responsible or liable for a taxpayers ability to receive tax credits.
